Education Management System

Overview

An ERP system's Education Management Module is similar to an extremely intelligent computer programme that facilitates the seamless operation of schools and colleges. It oversees every aspect of the business, from student enrollment to attendance and grade monitoring, acting as the central nervous system. See it as a large electronic centre that stores all the necessary information, such as timetables, fees, and library books, in one convenient location.

Schools can stop doing boring paperwork and start using easy online forms and payments with Educational modules. Features like automatic attendance and grading, teachers have more time to teach and less time on administrative work. Also, parents and kids can know about school events using instant messages and updates.

In the back, the tool crunches data and gives tips to help schools make choices later. It works like a very useful helper, keeping everything in line so everyone can focus on what's important—learning and growth.

Features

Student Management:

This menu contains comprehensive student information, including general details, health records, and fee-related information, encompassing all necessary data pertaining to each student.

Teachers can check the remarks and progress of each student from this section as well.

The Admin department can access this information to know the dues fee of students so that they can remind them when required.

The Admin department can take digital signatures of students for security purposes.

Teachers can give each student any internal notes if required.

The Admin can also gather a student's last school / university leaving information so that they can store it for further use.

Attendance Management:

Attendance management teachers to track and record student attendance details across different classes and divisions. It allows teachers to maintain accurate records of each student's presence or absence during classes.

Time Table Management:

With our timetable field, teachers / professors can easily create, edit, and optimise class timetables, ensuring a well-organised and efficiently managed academic calendar.

This feature provides flexibility, allowing you to seamlessly adjust to changes in classes or schedules.

Parent School Collaboration:

Under this header, the schools can store the information of the parents / guardians of students for future reference.

Once the details are filled up, it automatically fetches the student's data beneath to gain clarity.

Easy Admission Inquiry:

Students can easily fill out the form and enter all details, then confirm admission by the school's admin, or they can also enter How Students Know Our School, i.e., through a relative, a colleague, a neighbour, etc.

Teachers can fill the form of students who have called for inquiry and also the admin department can boost up their advertising area by using the admission inquiry form's How to Know Our school.

Faculty Management

This menu has all faculty information like general, health, fees. i.e every required information of a faculty.

This makes it easy to store staff details and keep it updated.

Examination Management

The Teachers can schedule exams for a particular standard and division and can also flexibly add the subjects they wish to have in the exam.

The Teachers can create results of students for a particular exam and can also give remarks on the results for student's improvements.

Library Management

Easy Issue of Books:

Our Library Management feature provides a structured method for monitoring books. Librarians can easily handle the library catalogue, monitor book availability, and simplify the borrowing and returning procedures.

Memberships Management:

This function helps users to efficiently manage data of members of the library and also easily generate new memberships for new members.

This also keeps track of the time period of membership like the date when membership expires.

Book Details Report:

The Librarian can generate a book wise report to analyse which book is issued more trendy.

Membership Detail Report:

When we want to generate reports of all members of a library or any particular member, this function makes it easy for the librarian.

This gives an updated report of the member and what is the status of their membership.

Evaluation Profile

Evaluation profile function which allows students, parents, and faculty to contribute inquiries to evaluate different elements.

This functionality enables the collection of feedback from various participants to evaluate diverse aspects of the educational process. This provides the option to print Evaluation receipt and summary of the points discussed / solved.

Event Management

The event organiser can plan an event and based on that can also sell the tickets.

The event organiser can sell the tickets at customised prices based on the type of tickets they are selling.

The event organiser can configure whether they want to sell tickets with sale orders and sell tickets on the website.

The event organiser can also send Mail / SMS to the attendees for a reminder of the event and also for gathering more crowd to the event.

The event organiser can make customised templates & tags for the event. To register in the event students can simply scan the QR code and register themselves.

Students gaining practical experience is the main motto of doing events, exhibitions and shows in any school or college. Our ERP provides you with analytics to have a look on which student attendees were present at which event, to know their interest groups.

Revenue generated by each event can be monitored from this section for further accounting purposes.

Assignment Management

Assignment

In the assignment section faculty can create assignment for the students based on standard and division wise and can also allocate the created assignment to the students

Submission

The faculty can also check the submission status of the given assignment and can check if the assignment has been submitted within the due date or not.

Reporting and Analysis

1. Score of a student

In this excel report you can get the result of the exams that you want, within a particular date range.

2. Attendance report :

In this excel report you can get the result of the exams that you want, within a particular date range.

3. Attendance Summary Report

This report will give the details of a particular division of all standards between a specified date range

4.Result Report

This report shows a pivot view of various factors such as marks,grades,subjects etc.

This report can be used to do analysis of the students and their grades.

5.Evaluation Summary Report

This report will give the details of the evaluation that had taken place in the past between a specified date range of a particular user type.

To pay the fee you need to create SO and to create SO for every student is a tedious task so for that we have added the feature of creating SO for multiple students at once.

Fees And Payments Management

In the fees section you can create fees for the students and can check the status of the fees of students whether it is paid or due.

A Quotation of the fees can also be sent to the student via Email.

Transport Management

Transport:

In this section, individual can input routes along with their starting and ending points.

One can also provide details about the driver and conductor, including their names and the driver's contact number. Furthermore, there is option to specify the distance in kilometers and the applicable fare rate for each route.

Vehicle :

In vehicle section vehicle can be added with it's details such as name, model of vehicle, brand of vehicle , manufacture year and number of vehicle.

Contact

In the contact section, the details of the driver and conductor are displayed, including their names and mobile numbers. From this section we can create records of driver and conductor.

Hostel Management

Registration

In Registration section students can register hostel as per their needs by filling necessary details such as name, building, room and room type. Once the student is registered. User can active the state by clicking on the active button and can also cancel the registration.

Housekeeping

In Housekeeping section user can create housekeeping work details , including adding notes, sending messages, and viewing related activities.

Building

In the Building section, user can create details of building by filling details such as building, room no, room type, room capacity and beds , including adding notes, sending messages, and viewing related activities..

Room

This section allows users to manage and create rooms records in the hostel's building, including sending messages, and viewing related activities.

Room Allocation

This section allows users to manage rooms which are allocated to students in the hostel's building and can also change the room allocation status accordingly once the room is booked, including sending messages, and viewing related activities.

Students Complaints

This section allows users to manage complaints of hostels by students .Once the complaint is placed user can assign the complaint by clicking on the Assigned button , when the complaint is in process the state will be in progress and once the problem/complaint is resolved the state will be resolved, including sending messages, and viewing related activities.

Parents Meeting

This section allows users to manage and create parents meeting regarding hostel,complaints of hostels by students , including sending messages, and viewing related activities.

Counselling Management

Counselling

Our counselling management system includes the capability to schedule counselling sessions, record session time, and gather valuable feedback from students.

Survey Questions

Counsellors can create customized surveys by compiling a list of questions within our integrated survey module. These surveys can be seamlessly allocated and shared via links within the counselling module.

Configuration Management

Here are pre-configured settings to streamline repetitive tasks.

School Holidays

The teacher can declare the list of school holidays for an academic calendar with a specific span of dates.

Exams

The exam menu is used to add subjects with subject codes, subject categories, and passing marks.

Subject category add to i.e., reading, writing, etc.

Grades are customisable based on the mark range.

Rating

Rating menu can be used to configure the stars and the comments for it.

Evaluation Questions

This menu can be used to mention the question based on the type of users and can also frame the questions for each user type which are going to be discussed.

Fees

This menu can be used to create new fee types if required.

Library

Library menu is used for the information about authors, books and languages of books are available in. All information about books like the copies of books, language of books are stored here.

Course

If there are any external course for the students out of syllabus or any extracurricular courses it can be mentioned here and one can get all it's information

Student

All configuration of students is done here like standard, division, and academic year. How know shows how a student knows about school and what is the source that they came to know about the school.

Address :

All address information is configured here like province, district and village that are used in address of students, parents and faculties.

Timetable

Users can easily create, edit, and optimize class timetables, ensuring a well-organized and efficiently managed academic calendar. This feature provides flexibility, seamlessly adjusting to changes in classes or schedules.

Assignment

Assignments are categorized here i.e. what type of the assignment generated which is used in the assignment menu.

Workflow

Jupical's Education management includes the complete package of features, marking from student's online inquiry from the website to the academic year results of the current year.

In addition to this, detailed information about the faculty, transportation, and counselling services is included. This covers aspects such as faculty qualifications and schedules, transportation routes and logistics, and available counselling resources and sessions.

Configuration

Exam Menu

1. Subjects Menu and List View :

The screenshot shows the 'Subjects' menu in the Education Management System. The top navigation bar includes 'Education', 'Students', 'Faculties', 'Exam', 'Library', 'Evaluation Profile', 'Assignments', 'Events', 'Reports', 'Transportation', 'Fees', 'Hostel', and 'Counseling'. The 'Subjects' menu is open, showing a list of subjects with columns for 'Code', 'Name', 'Subject Category', and 'Passing Marks'. The 'Subjects' menu item is highlighted in the sidebar.

Code	Name	Subject Category	Passing Marks
100004	Hindi	Communication	25.00
100003	Science	Science	25.00
100001	English	Communication	25.00
100002	Maths	Maths	25.00

In the subjects you can configure subjects which are to be there in exams which are based on subject category, code, name and marks.n.

2. Subject Category Menu and List View :

The screenshot shows the 'Subject Category' menu in the Education Management System. The top navigation bar includes 'Education', 'Students', 'Faculties', 'Exam', 'Library', 'Evaluation Profile', 'Assignments', 'Events', 'Reports', 'Transportation', 'Fees', 'Hostel', and 'Counseling'. The 'Subject Category' menu is open, showing a list of subject categories with columns for 'Name' and 'Sequence'. The 'Subject Category' menu item is highlighted in the sidebar.

Name	Sequence
Communication	3
Maths	2
Science	1

In the grade section you can define grades based on the marks which are followed by your institute.

3. Grades Menu and List View :

The screenshot shows the 'Grades' menu and list view. The top navigation bar includes 'Education', 'Students', 'Faculties', 'Exam', 'Library', 'Evaluation Profile', 'Assignments', 'Events', 'Reports', 'Transportation', 'Fees', 'Hostel', and 'Counseling'. The 'Grades' menu is open, showing a list of options: 'Configurations', 'Exam', 'Subjects', 'Subject Category', 'Grades' (highlighted with a red box), 'Rating', 'Evaluation Questions', 'Student', 'Teacher', 'Parent', 'Fees', 'Fees Type', 'Library', 'Authors', 'Book's Languages', 'Student', 'How Know', 'Standard', 'Division', and 'Year'. The main table displays the following data:

Grade	Letter Grade	Mark Ra
<input type="checkbox"/>	A	91-100
<input type="checkbox"/>	B	81-91
<input type="checkbox"/>	C	70-81
<input type="checkbox"/>	D	0-70

In the section user can define grades based on the marks followed by institute.

Ratings Menu

Ratings List View :

The screenshot shows the 'Ratings' menu and list view. The top navigation bar is the same as the previous screenshot. The 'Ratings' menu is open, showing a list of options: 'Configurations', 'Exam', 'Subjects', 'Subject Category', 'Grades', 'Rating' (highlighted with a red box), 'Evaluation Questions', 'Student', 'Teacher', 'Parent', 'Fees', 'Fees Type', 'Library', 'Authors', 'Book's Languages', 'Student', 'How Know', 'Standard', 'Division', and 'Year'. The main table displays the following data:

Rating	Comments
<input type="checkbox"/> 5	Good
<input type="checkbox"/> 10	Excellent
<input type="checkbox"/> 7	Very Good
<input type="checkbox"/> 4	Average
<input type="checkbox"/> 2	Poor

In this screen, we can easily view all the ratings details.

Ratings Form View :

The screenshot shows the 'Ratings' form view. At the top, there's a navigation bar with various menu items like Education, Students, Faculties, Exam, Library, Evaluation Profile, Assignments, Events, Reports, Transportation, Fees, Hostel, and Counseling. Below the navigation bar, there's a 'New' button and a 'Rating' field set to 10. The 'Comments' field contains the text 'Excellent'. The form is displayed in a light blue box with a white border.

Here in this rating section you can do customized rating and based on that you can add comments also.

Evaluation Questions Menu

1. Students Menu : List View

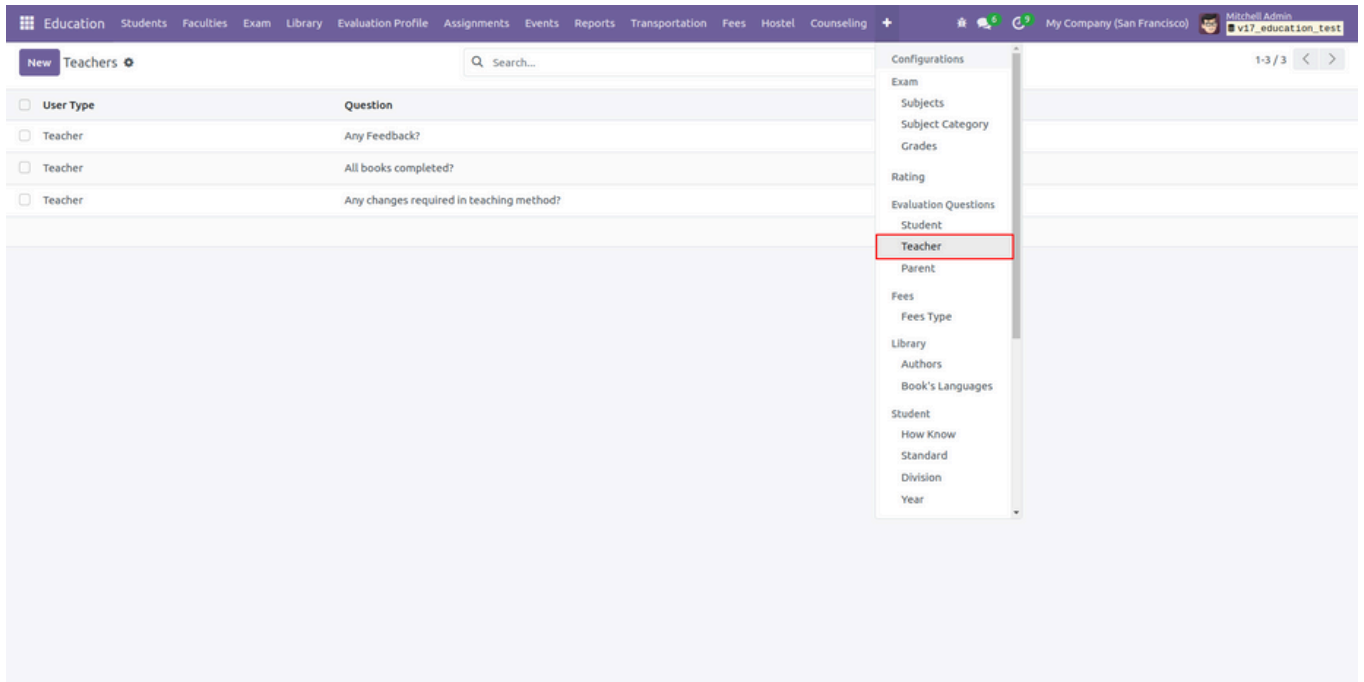

The screenshot shows the 'Students' menu list view. It features a table with columns for 'User Type' and 'Question'. The 'User Type' column has a dropdown menu open, showing options like 'Student', 'Teacher', 'Parent', 'Fees', 'Fees Type', 'Library', 'Authors', 'Book's Languages', 'Student', 'How Know', 'Standard', 'Division', and 'Year'. The 'Question' column contains two entries: 'Which Subject I need to focus more?' and 'Behaviour in class'. The table is displayed in a light blue box with a white border.

Form View :

The screenshot shows the 'Students' form view. It features a 'User Type' dropdown menu set to 'Student' and a 'Question' text field containing the text 'Which Subject I need to focus more?'. The form is displayed in a light blue box with a white border.

Here in the evaluation menu of students you can select the user type as student and produce some questions which are to be evaluated.

2. Teacher Menu : List View

Form View :

Here in the evaluation menu of teachers you can select the user type as student and produce some questions which are to be evaluated.

3. Parents Menu :

List View

The screenshot shows the 'Parents' menu in the Jupilical.io application. The top navigation bar includes 'Education', 'Students', 'Faculties', 'Exam', 'Library', 'Evaluation Profile', 'Assignments', 'Events', 'Reports', 'Transportation', 'Fees', 'Hostel', and 'Counseling'. The 'Parents' menu is selected, and a search bar is visible. The main content area displays a table with two columns: 'User Type' and 'Question'. The table lists two entries: 'Parent' with the question 'Student is performing good or not?' and 'Parent' with the question 'What schedule to follow for studies at home?'. A configuration dropdown menu is open on the right, showing options like 'Exam', 'Subjects', 'Subject Category', 'Grades', 'Rating', 'Evaluation Questions', 'Student', 'Teacher', 'Parent' (highlighted), 'Fees', 'Fees Type', 'Library', 'Authors', 'Book's Languages', 'Student', 'How Know', 'Standard', 'Division', and 'Year'.

User Type	Question
Parent	Student is performing good or not?
Parent	What schedule to follow for studies at home?

Form View :

The screenshot shows the 'Parents' menu in the Jupilical.io application, specifically the form view. The top navigation bar is the same as the list view. The main content area displays a form with two fields: 'User Type' and 'Question'. The 'User Type' field is set to 'Parent', and the 'Question' field contains the text 'What schedule to follow for studies at home?'. The form is titled 'New Parents' and has a search bar.

Here in the evaluation menu of parent you can select the user type as student and produce some questions which are to be evaluated.

Fees Type Menu

List View

The screenshot shows the 'Fees Type' menu in a web application. The top navigation bar includes links for Education, Students, Faculties, Exam, Library, Evaluation Profile, Assignments, Events, Reports, Transportation, Fees, Hostel, and Counseling. The user is logged in as 'My Company (San Francisco)' with the user 'Mitchell Admin' and a session ID 'v17_education_test'. The 'Fees Type' menu is open, showing a list of fee types with checkboxes: Fees Type, Main Fee, Admission Fee, Monthly Fee, Term I Fee, Term II Fee, Exam Papers Fee (Term I), Exam Papers Fee (Term II), Activity Fee, and Other Fees. A search bar is available at the top of the menu. The right sidebar shows a list of configurations, with 'Fees Type' highlighted in red.

Form View :

Here you can create a new fee type for the students if required.

Library Menu

1. Authors Menu and List View :

The screenshot shows the 'Authors' menu in the Education system. The top navigation bar includes 'Education', 'Students', 'Faculties', 'Exam', 'Library', 'Evaluation Profile', 'Assignments', 'Events', 'Reports', 'Transportation', 'Fees', 'Hostel', and 'Counseling'. The 'Library' menu is expanded, showing options like 'Grades', 'Rating', 'Evaluation Questions', 'Student', 'Teacher', 'Parent', 'Fees', 'Fees Type', 'Library', 'Authors' (highlighted with a red box), 'Book's Languages', 'Student', 'How Know', 'Standard', 'Division', 'Year', 'Address', 'District', 'Village', and 'Province'. The main content area displays a list of authors with columns for 'Author ID' and 'Name'. The list includes two entries: 'A001 Sanjeev Joshi' and 'A002 Dr. Rajen Saikia'. A search bar is located at the top of the list.

Author ID	Name
A001	Sanjeev Joshi
A002	Dr. Rajen Saikia

Form View :

The screenshot shows the 'Authors' form view for Sanjeev Joshi. The top navigation bar is the same as the previous screenshot. The 'Authors' menu is selected, and the form view for 'Sanjeev Joshi' is displayed. The form includes fields for 'Publisher', 'Contact Details', and 'Address'. The 'Publisher' field is filled with 'Sanjeev Joshi'. The 'Contact Details' section includes fields for 'Phone', 'Mobile', 'Email', and 'Website Link'. The 'Address' section includes fields for 'Street', 'Street2', 'City', 'State', and 'Country'. The form is titled 'A001 Sanjeev Joshi'.

CONTACT DETAILS		ADDRESS	
Phone	5664783975	Street	sr1
Mobile	5465768987	Street2	sr2
Email	sanjeev@gmail.com	City	Rajkot
Website Link	https://odoo.com	State	Gujarat (IN)
		Country	India

Here in the authors menu user can create authors and give its detail information such as publisher, phone, mobile, email, website link, street, street2, city, state and country .

2. Book's Language Menu :

List View :

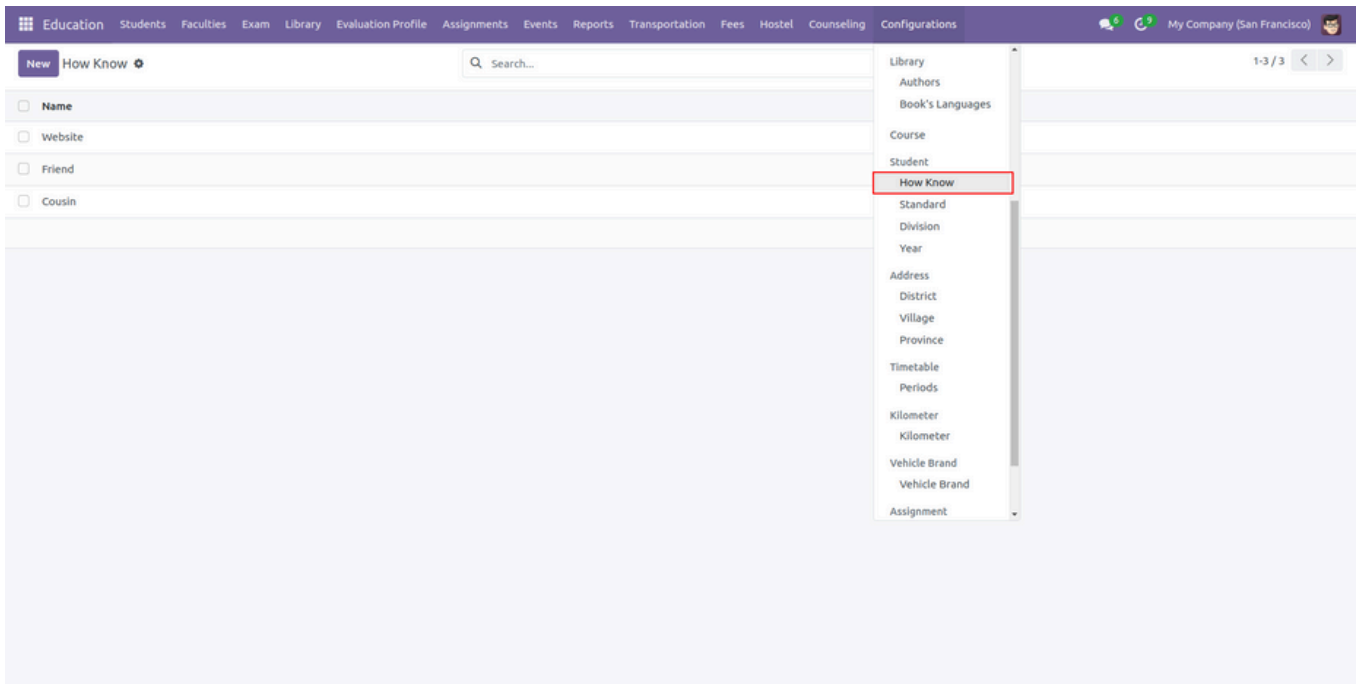

The screenshot displays the 'Book's Language' menu in a web application. The top navigation bar includes various menu items such as Education, Students, Faculties, Exam, Library, Evaluation Profile, Assignments, Events, Reports, Transportation, Fees, Hostel, and Counseling. Below the navigation bar, there is a 'New Language' button and a search bar. A list of languages is shown with checkboxes: Language, English, Hindi, Gujarati, and Marathi. On the right side, a dropdown menu is open, listing various options including Grades, Rating, Evaluation Questions, Student, Teacher, Parent, Fees, Fees Type, Library, Authors, Book's Languages (highlighted with a red box), Student, How Know, Standard, Division, Year, Address, District, Village, and Province. The bottom right corner of the dropdown menu shows '1-4 / 4' and navigation arrows.

Form View :

In this section, user can add as many as language as per needed and can view in list view.

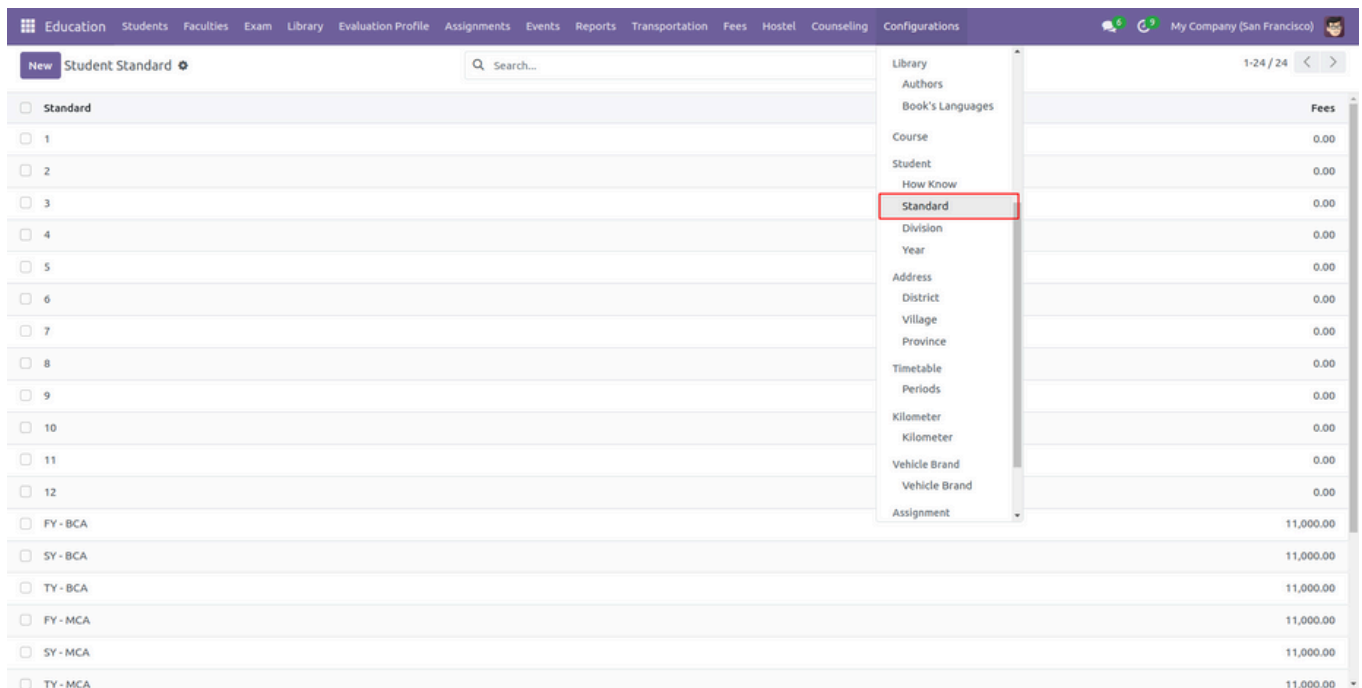

Student Menu

1. How Know Menu and List View :

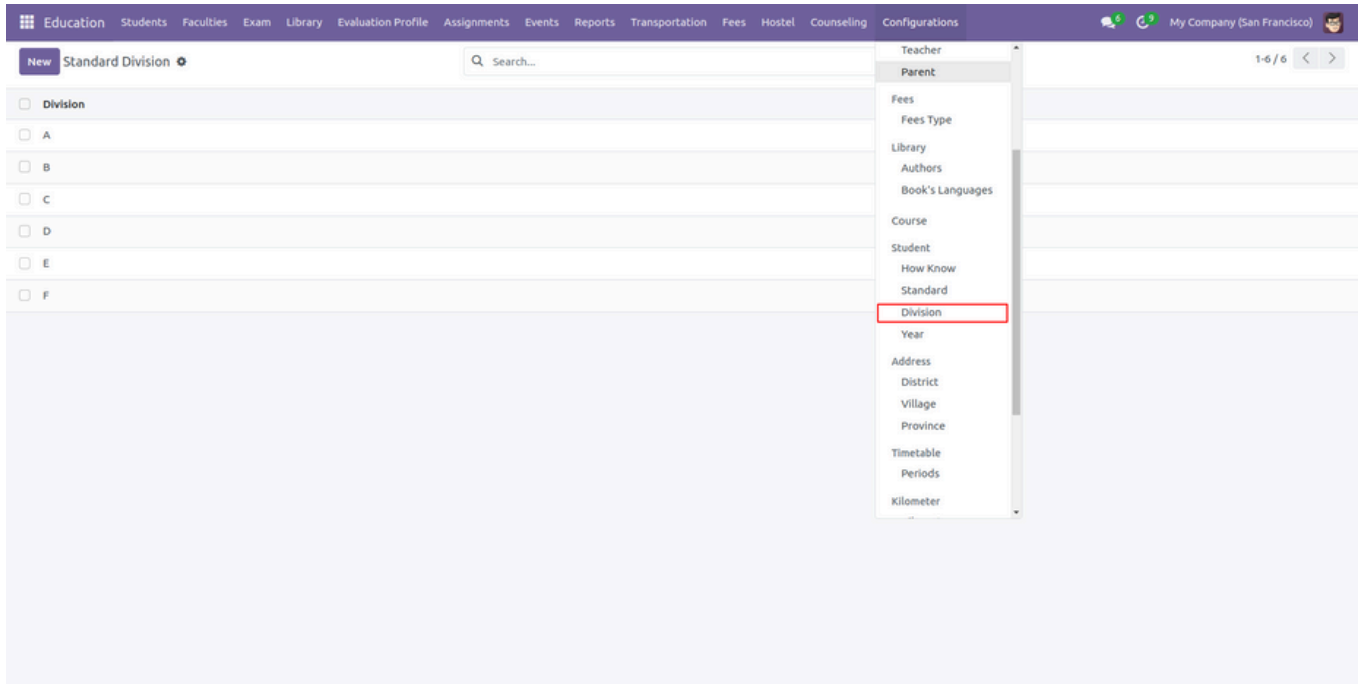

Here user can add the field of how the student came to know about your institution.

2. Standard Menu and List View :

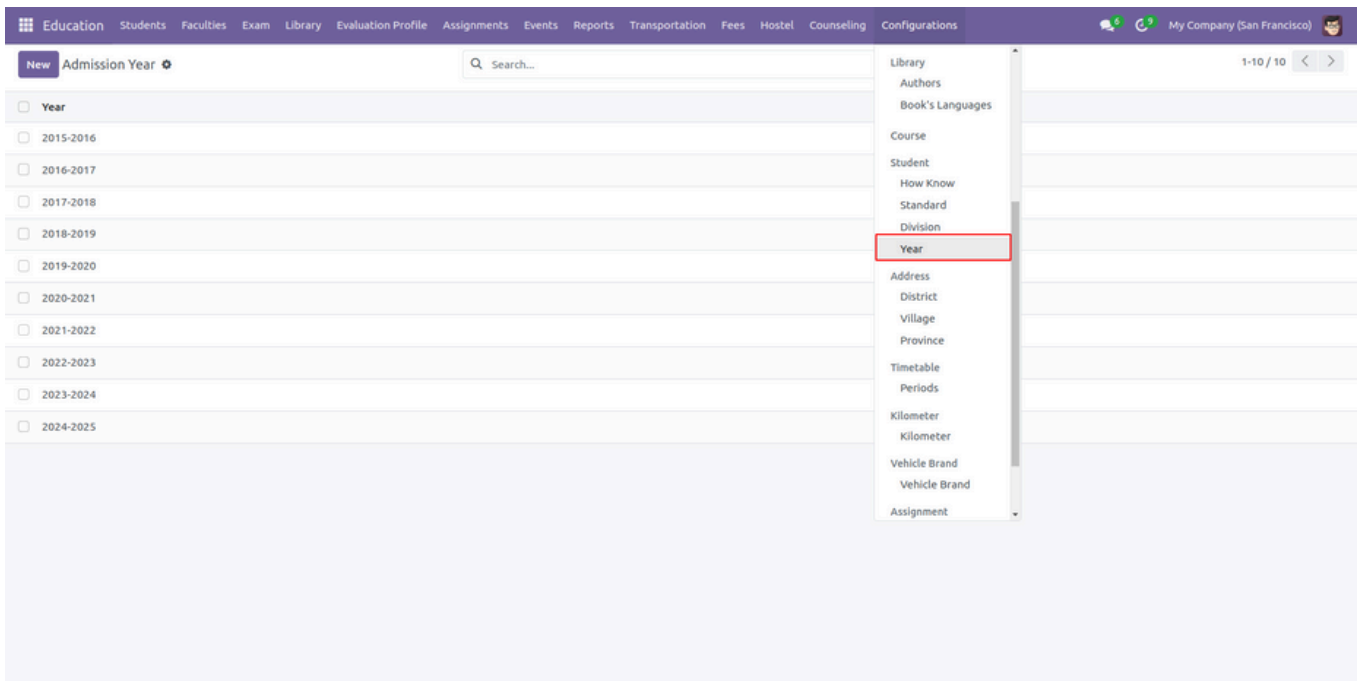

Here user can create the standards and set the fees for a particular standard among with the fees details.

3. Division Menu and List View :

Here user can create the divisions for a particular standard as needed.

4. Year Menu and List View :

Here user can create the years as per need.

Address Menu

1. District Menu : List View

The screenshot shows the 'Student District' list view. The table has two columns: 'Name' and 'State'. The data rows are:

Name	State
<input type="checkbox"/> Ahmedabad	Gujarat (IN)
<input type="checkbox"/> Rajkot	Gujarat (IN)
<input type="checkbox"/> Bhavnagar,	Gujarat (IN)
<input type="checkbox"/> Surat	Gujarat (IN)

A dropdown menu is open, showing a list of configuration options. The 'District' option is highlighted with a red box. Other options include Course, Student, How Know, Standard, Division, Year, Address, Village, Province, Timetable, Periods, Kilometer, Vehicle Brand, Assignment, Assignment Types, Holidays, and Holidays.

Form View

The screenshot shows the 'Student District' form view. The form has three fields:

- Name:** Rajkot
- State:** Gujarat (IN)
- Country:** India

Here you can create the district by filling details such as name and state and according to state country will be auto generated ..

2. Village Menu List View

Form View

Here you can create the village as per students need.

Form View :

The screenshot displays a web application interface for managing vehicle brands. At the top, a navigation bar includes links for Education, Students, Faculties, Exam, Library, Evaluation Profile, Assignments, Events, Reports, Transportation, Fees, Hostel, Counseling, and Configurations. A user profile for 'My Company (San Francisco)' is shown in the top right corner. Below the navigation bar, a 'New' button is located next to the 'Vehicle Brand' title. The main content area features a form with a 'Brand' dropdown menu currently set to 'Tata'. Below this, there is a table for 'Model' with the following entries:

Name
Safari
Tata Nexun
Add a line

The table includes delete icons for each entry. A '1/4' indicator and navigation arrows are visible in the top right corner of the form area.

Here in this section, user can create vehicle brand by filling its name and can add model details as many as they want to.

Add a line

To take attendance of students, simply follow these three steps:

- Add the details of the faculty, standard, division, date, and subjects.
- Click on the "Add Student Line" button.
- Select the students from the list and mark them as present or absent.

Timetable

The screenshot shows the EMS interface with a purple header bar containing navigation links: Education, Students, Faculties, Exam, Library, Evaluation Profile, Assignments, Events, Reports, Transportation, and Configurations. On the right, it displays 'My Company (San Francisco)' and a user profile icon. Below the header, a 'New' button is followed by a dropdown menu with options: Students, Attendance, and Timetable (highlighted with a red box). To the right of the dropdown is a search bar labeled 'Search...'. Below these elements, four student profile cards are visible, each with a person icon, name, standard, academic year, phone number, and email address. The first card for 'Raj' has a 'Parents' link and an 'Admission Inquiry' link. The second card is for 'Ram', the third for 'Riya', and the fourth for 'Seema'.

The screenshot shows the 'Timetable' creation page. The header bar is the same as the previous screenshot. Below it, a 'New' button is followed by a dropdown menu showing 'Timetable' and '8/C/2015-2016'. To the right, it says '2 / 2' with navigation arrows. The main content area has a title '8/C/2015-2016' and three fields: 'Standard' (8), 'Division' (C), and 'Academic Year' (2015-2016). Below these is a table with columns: Student, Name, Standard, Div, and Roll Number. The first row shows 'Raj' with Standard 8, Division C, and Roll Number 0. Below the table is an 'Add a line' button. At the bottom, there is a red-bordered box containing a table with columns: Period, From, To, Subjects, Faculty, Date, and Day. The first row shows '1' for Period, '08:00' for From, '09:00' for To, 'English' for Subjects, 'Abhishek' for Faculty, '07/01/2024' for Date, and an empty cell for Day. Below this table is an 'Add a line' button.

Here, you can create a timetable for Monday through Saturday and add periods according to your requirements for each day.

Here in this section user can provide the details of employment experience.

Exam Menu

Exam's Menu and List View :

The screenshot shows the 'Exam' menu in the Jupical.io system. The top navigation bar includes 'Education', 'Students', 'Faculties', 'Exam', 'Library', 'Evaluation Profile', 'Assignments', 'Events', 'Reports', 'Transportation', 'Fees', 'Hostel', 'Counseling', and 'Configurations'. The 'Exam' menu is highlighted, and a dropdown menu shows 'Exam' and 'Result'. Below the menu, there is a table with columns: Name, Standard, Division, Start Date, and End Date. The table contains two rows: 'Sem 2' with Standard 8, Division C, Start Date 07/01/2024, and End Date 07/06/2024; and 'sem1' with Standard 1, Division A, Start Date 01/01/2024, and End Date 07/05/2024. The bottom section of the page is a large empty box for additional content.

Name	Standard	Division	Start Date	End Date
Sem 2	8	C	07/01/2024	07/06/2024
sem1	1	A	01/01/2024	07/05/2024

Exam's Form :

The screenshot shows the 'Exam Form' in the Jupical.io system. The top navigation bar is the same as the previous screenshot. The 'Exam' menu is highlighted, and a dropdown menu shows 'Exam' and 'Result'. Below the menu, there is a form with fields for 'Name', 'Start Date', 'End Date', 'Standard', 'Division', 'Current Year', and 'Student List'. The 'Student List' section contains a table with columns: Name, Standard, Div, and Roll Number. The table contains one row: 'Ram' with Standard 8, Division C, and Roll Number 0. Below the 'Student List' section, there is a 'Subjects' section with a table for adding subjects. The table has columns: Subject, Date, Day, Time From, Time To, Mark, and Exam. The table contains two rows: 'English' with Date 07/01/2024, Day Monday, Time From 09:00, Time To 10:00, Mark 50, and Exam; and 'Maths' with Date 07/02/2024, Day Tuesday, Time From 09:00, Time To 10:00, Mark 50, and Exam. The bottom section of the page is a large empty box for additional content.

Name	Standard	Div	Roll Number
Ram	8	C	0

Subject	Date	Day	Time From	Time To	Mark	Exam
English	07/01/2024	Monday	09:00	10:00	50	
Maths	07/02/2024	Tuesday	09:00	10:00	50	

Here you can create exams based on Standard, Division and Year. Along with that you can add students who need to give that exam in the student list section. Also you can add subjects for that exam and also can add marks for the same.

Teacher Comment

Faculty ? Abhishek

Parent ? Ramesh

Parent Description ?

Fee Calculation ?

You can find the Result sub-menu within the Exam menu.

Here, you can create results for individual students by adding subjects and the corresponding marks. The grades and pass/fail status will be automatically computed based on the marks entered.

Once all subjects are added, the total marks, percentage, grade, and pass/fail status will be calculated.

Additionally, you can include details of the faculty who generated the result and provide feedback on it.

A PDF report of the created result will be available, displaying all the information you entered during the result generation process.

Result Form View

The screenshot displays the 'Result Form View' in the Jupical.io Education system. The interface includes a top navigation bar with various menu items like Education, Students, Faculties, Exam, Library, Evaluation Profile, Assignments, Events, Reports, Transportation, Fees, Hostel, Counseling, and Configurations. The user is logged in as 'My Company (San Francisco)'.

The main form area contains a table of subjects and their respective marks:

Subject	Date	Mark	Grade	Status
English	07/01/2024	100.00	25.00	50.00 D
Maths	07/02/2024	100.00	25.00	50.00 D
Science	07/17/2024	100.00	25.00	50.00 D
Add a line				
		300.00	75.00	150.00

Summary statistics on the right side of the form:

- Total Marks Scored: 150.00
- Percentage: 50.00
- Grade: D
- Pass/Fail: ☒

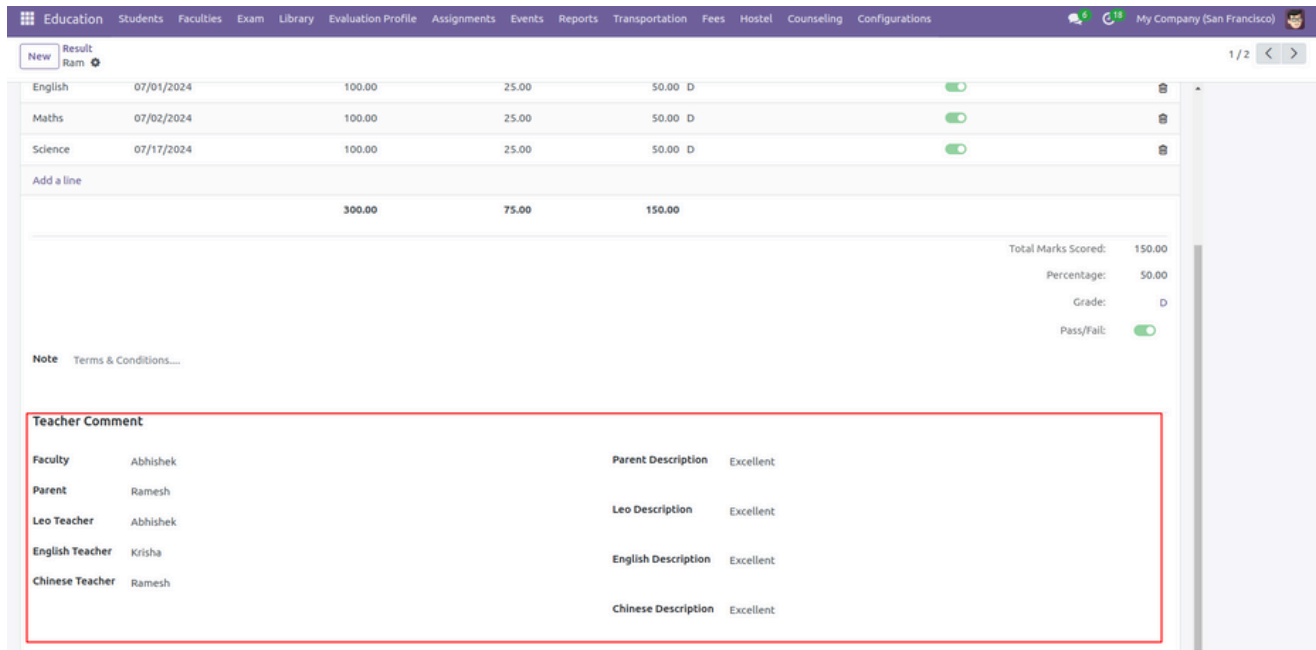

A 'Note' section is present with the text 'Terms & Conditions....'. Below this is a 'Teacher Comment' section, which is highlighted with a red border. It contains the following details:

Role	Name	Description	Grade
Faculty	Abhishek	Parent Description	Excellent
Parent	Ramesh	Leo Description	Excellent
Leo Teacher	Abhishek	English Description	Excellent
English Teacher	Krishna	Chinese Description	Excellent
Chinese Teacher	Ramesh		

You can also add the details of the faculty who has generated that result and along with that you can give feedback on that result.

Here is the pdf report of the created result where you can see all the things you have added while generating the result.

Result Form View

The screenshot displays the 'Result Form View' interface. At the top, there is a navigation bar with various menu items like 'Education', 'Students', 'Faculties', etc. Below this, a header bar shows the user's name 'Result Ram' and a profile icon. The main content area contains a table with the following data:

Subject	Date	Marks	Percentage	Grade	Status
English	07/01/2024	100.00	25.00	50.00	D
Maths	07/02/2024	100.00	25.00	50.00	D
Science	07/17/2024	100.00	25.00	50.00	D
Add a line					
		300.00	75.00	150.00	

Summary statistics on the right side of the form:

- Total Marks Scored: 150.00
- Percentage: 50.00
- Grade: D
- Pass/Fail: ☒

A 'Note' section is present with the text 'Terms & Conditions....'. Below this is a 'Teacher Comment' section, which is highlighted with a red border. It contains the following details:

Faculty	Parent Description
Abhishek	Excellent
Parent: Ramesh	Leo Description: Excellent
Leo Teacher: Abhishek	English Description: Excellent
English Teacher: Krisha	Chinese Description: Excellent
Chinese Teacher: Ramesh	

You can also add the details of the faculty who has generated that result and along with that you can give feedback on that result.

Here is the pdf report of the created result where you can see all the things you have added while generating the result.

Result Report :

Library

Book Menu and List View

The screenshot shows the 'Library' section of the application. The top navigation bar includes 'Education', 'Students', 'Faculties', 'Exam', 'Library', 'Evaluation Profile', 'Assignments', 'Events', 'Reports', 'Transportation', 'Fees', 'Hostel', 'Counseling', and 'Configurations'. The 'Library' menu is open, showing options: 'Books', 'Issue Books', 'Memberships', 'Reports', 'Book Details Report', and 'Membership Details Report'. The 'Books' option is selected. Below the menu, there is a search bar and a table of books. The table has columns: 'Book ID', 'Name', 'Author', 'Genres', 'Language', and 'Total No. Of Books'. Two books are listed: 'BK/2024/07/1' (The Sun Also Rises) and 'BK/2024/07/2' (Wuthering Heights).

Book ID	Name	Author	Genres	Language	Total No. Of Books
BK/2024/07/1	The Sun Also Rises		Motivational	English	15
BK/2024/07/2	Wuthering Heights	Emily Brontë	Motivational	English	15

Book's Kanban View

The screenshot shows the 'Book's Kanban View' interface. It displays two book cards. The first card is for 'BK/2024/07/1' (The Sun Also Rises) and the second card is for 'BK/2024/07/2' (Wuthering Heights) by Emily Brontë. The interface includes a top navigation bar and a search bar.

Book's Form View

The screenshot shows the 'Book's Form View' interface for the book 'BK/2024/07/1' (The Sun Also Rises). The form displays the following details:

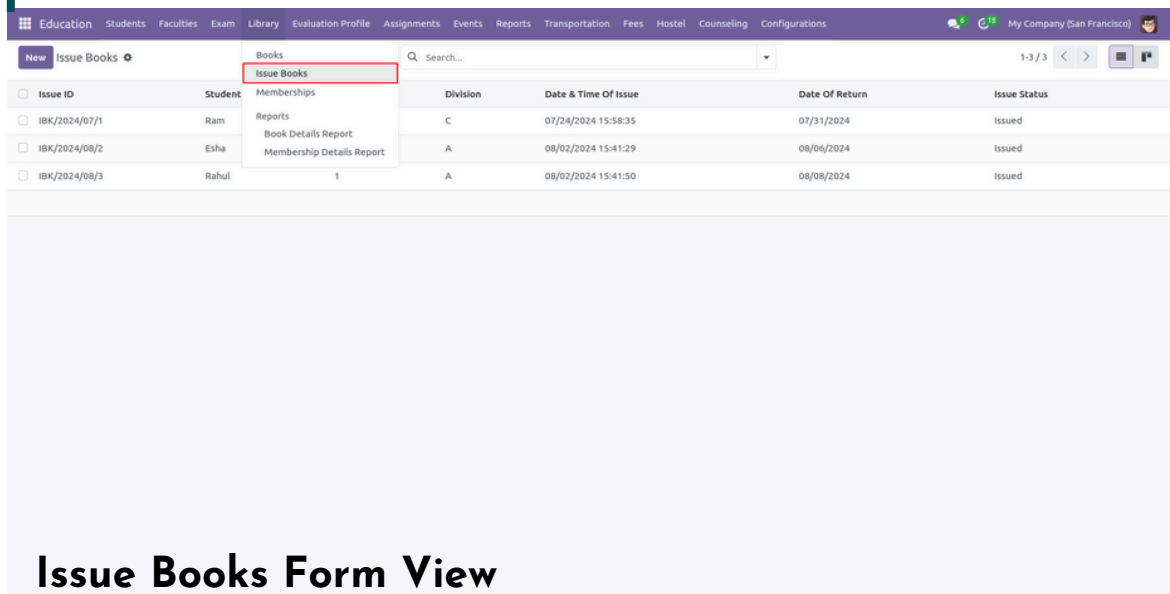

Name	The Sun Also Rises	Total No. Of Books	15
Author		No. Of Books Issued	1
Genres	Motivational	No. Of Books Lost	0
Language	English X	No. Of Books Available	14
Edition	0.00		

There is a camera icon with a plus sign in the bottom right corner of the form, indicating an option to upload a book cover image.

In the book form you can add the details of the book.

Issue Books

Issue Books Menu and List View

Issue Books Form View

The screenshot shows the 'Issue Books' form view. It has a header with navigation buttons (Return, Cancel, Lost, Print Issue Details XLS Report) and a 'Issued' button. The form is divided into two main sections: 'BOOK INFORMATION' and 'STUDENT INFORMATION'. The 'BOOK INFORMATION' section includes fields for Issue ID, Date & Time Of Issue, and Date Of Return. The 'STUDENT INFORMATION' section includes fields for Students, Standard, Division, and Roll No. Below these sections is a table for 'Book Name', 'Issue Books', 'Author', 'Genres', and 'Language'. The table has one row with the book 'The Sun Also Rises', 'Motivational', and 'English'. There is also a 'Add a line' button and a 'Camera' icon.

Book Name	Issue Books	Author	Genres	Language
The Sun Also Rises			Motivational	English

In the Issue book form you can add the details of the student who wants to issue the books along with the return date.

Assignments

Assignments Menu And List View

The screenshot shows the 'Assignments' menu item highlighted in the top navigation bar. Below the menu, a table lists existing assignments. The table has columns for Name, Subject, Faculty, Type, Issued Date, Submission Date, Allocated To, Submissions, Total Marks, and State.

Name	Subject	Faculty	Type	Issued Date	Submission Date	Allocated To	Submissions	Total Marks	State
<input type="checkbox"/> Essay	English	Abhishek	Homework	07/24/2024 10:00:00	07/31/2024 10:00:00			0.00	Published
<input type="checkbox"/> Essay	English	Abhishek	Homework	07/24/2024 10:00:00	07/31/2024 10:00:00			0.00	Published
<input type="checkbox"/> Trigonometry	Maths	Abhishek	Homework	07/17/2024 10:00:00	07/30/2024 10:00:00			50.00	Published

Assignment Form View

The screenshot shows the 'Assignment Form View' for an 'Essay' assignment. The form is divided into several sections: 'Basic Information', 'Allocation Information', and 'Submissions'. The 'Basic Information' section includes fields for Subject (English), Faculty (Abhishek), Assignment Type (Homework), Standard (B), Division (C), and Year (2016-2017). The 'Allocation Information' section includes fields for Issued Date (07/24/2024 10:00:00) and Submission Date (07/31/2024 10:00:00). The 'Submissions' section includes fields for Total Marks (50.00) and Description (Essay). The form is currently in the 'Published' state, as indicated by the 'Published' button being active. A sidebar on the right shows a notification from 'Mitchell Admin' stating 'Assignment created'.

In the assignment form, you have the ability to create assignments and allocate them to students according to their standard and division. This process allows you to specify the details of each assignment, including its title, description, due date, and any additional instructions.

1. Basic Information

The screenshot shows the 'Basic Information' tab for an 'Essay' assignment. The interface includes a top navigation bar with various menu items like 'Education', 'Students', 'Faculties', etc. Below the navigation bar, there are tabs for 'Set to Draft', 'Finish', 'Cancel', 'Draft', 'Published', 'Finished', and 'Cancel'. The 'Published' tab is active. The main content area displays the following details:

- Subject:** English
- Faculty:** Abhishek
- Assignment Type:** Homework
- Standard:** 8
- Division:** C
- Year:** 2016-2017
- Issued Date:** 07/24/2024 10:00:00
- Submission Date:** 07/31/2024 10:00:00
- Total Marks:** 50.00
- Description:** Essay

On the right side, there is a 'Send message' button and a 'Log note' button. Below these, there is a section titled 'Today' showing a notification from 'Mitchell Admin' stating 'Assignment created' 3 minutes ago.

This page includes the date when the assignment was issued, which indicates when students received it for completion. And it specifies the submission date, which denotes the deadline to submit their completed assignments.

2. Allocation Information :

The screenshot shows the 'Allocation Information' tab for an 'Essay' assignment. The interface is similar to the previous one, but the 'Allocation Information' tab is active. The main content area displays a table with the following columns: 'Name', 'Standard', 'Div', and 'Roll Number'.

Name	Standard	Div	Roll Number
Ram	8	C	0 x
Add a line			

On the right side, there is a 'Send message' button and a 'Log note' button. Below these, there is a section titled 'Today' showing a notification from 'Mitchell Admin' stating 'Assignment created' 4 minutes ago.

The Allocation page provides a detailed list of students who have been specifically assigned to complete a particular assignment. It shows the names of these students, ensuring clear visibility into which individuals are responsible for completing the assignment.

3. Submissions :

The screenshot displays the 'Submissions' page for an 'Essay' assignment. The page is divided into two main sections: a left sidebar for assignment details and a right sidebar for activity logs. The left sidebar includes tabs for 'Basic Information', 'Allocation Information', and 'Submissions' (which is highlighted with a red box). The 'Submissions' tab shows a table with columns for 'Students', 'State', and 'Submission Date'. One student, 'Ram', is listed with a submission date of '07/25/2024 10:43:45'. The right sidebar shows a 'Today' section with a message from 'Mitchell Admin' stating 'Assignment created'.

Students	State	Submission Date
Ram	Accepted	07/25/2024 10:43:45

The Submission page serves as a detailed record of students who have completed and submitted their assignments. It provides a comprehensive list of these students, indicating their names to confirm completion and submission of the assignment.

Additionally, the page includes the specific dates when each assignment was submitted by the respective students.

Submissions :

Submission Menu And List View :

Assignment	Students	Submission Date	State
<input type="checkbox"/> Essay	Ram	07/25/2024 10:43:45	Accepted
<input type="checkbox"/> Trigonometry	Ram	07/25/2024 10:44:56	Accepted

Submission list view indicates list of submission of assignments with their submission dates , student names and state whether it is accepted or not.

Submission Form View :

Standard: 8, Division: C, Year: 2016-2017, Assignment: Essay, Total Marks: 0.00, Submission Date: 07/25/2024 10:43:45, Scored Marks: 0.00

6. Evaluation Summary :

The screenshot shows the 'Result Reports' section of a software application. A dropdown menu is open, displaying several report options: 'Score Static Summary', 'Attendance', 'Attendance Summary', 'Attendance Reporting', 'Result Report', and 'Evaluation Summary'. The 'Evaluation Summary' option is highlighted with a red border. In the background, a table is visible with columns for 'Marks Scored' and 'Marks Scored', and rows for 'Total' and 'Ram'.

	Marks Scored	Marks Scored	Marks Scored
Total	35.00	35.00	70.00
Ram	35.00	35.00	70.00

The screenshot shows the 'Evaluation Summary' dialog box. It contains fields for 'From' (07/01/2024) and 'To' (07/25/2024), and a 'User Type' dropdown set to 'Teacher'. There are 'Generate Report' and 'Cancel' buttons at the bottom.

	Marks Scored	Marks Scored	Marks Scored
Total	35.00	35.00	70.00
Ram	35.00	35.00	70.00

This report is designed to gather and summarize feedback on teacher performance during this period.

We can also generate evaluation summary report of students and parents based on their questions.

The below report describes the overall summary of the evaluation process that had taken place in the past by student, teacher or parents.
